

Curriculum Purchase List 2024-2025

Kindergarten-Second Grade (Strongly Recommended):

Logic of English: Teacher Manuals and any of their supplemental material that your student might find helpful and is within your curriculum budget

Kindergarten-Second Grade (Recommended for at Home):

(Please see website for links to some suggestions)

Bible Program, Devotional, or Bible Reading Schedule

Handwriting Program or Copy Work Selections

History or Science- We cover these areas two times per week for you which is plenty for this level of learning. However, if your student takes a special interest in history and/or science and wants to dive deeper into any of those topics, you can look into any of the ones linked on our site or another book/program of your choice.

Third-Fourth Grade (Strongly Recommended):

Learning Language Arts Through Literature Teacher's Book (Yellow OR Orange)

Third-Fourth Grade (Recommended for at Home):

(Please see website for links to some suggestions)

Bible Program, Devotional, or Bible Reading Schedule

Handwriting Program or Copy Work Selections

With the unit studies, additional readings and links will be incorporated to aide in history and science studies at home. However, if you find you would like to dive deeper into either or both of these, we have provided some solid suggestions with links on our website.

*Please reach out with any questions or if you need any guidance with ordering what is recommended and/or required. We recommend either ordering directly from each company's site or from Christianbook.com as they typically ship quickly and have some of the best prices.
